"Park Primary is a good school where pupils learn in a very stimulating environment, they are encouraged to think deeply & discover things for themselves" **OFSTED – May 2014**

28th April 2017

Dear Parents/Carers,

On Wednesday 17th May 2017, Foundation 2 will be going to the Blue Planet Aquarium for a day of exploration and discovery. The purpose of this trip is to develop the children's curiosity and scientific enquiry skills as they are currently exploring the topic 'under the sea' in class.

Packed lunches will be provided. Please ensure your child has their coat in school and their inhaler, if they are asthmatic.

School is covering the majority of the cost of this trip including entrance into the aquarium, an under the sea workshop and transportation. However, we are asking parents/carers for a contribution of £5.00 towards this amazing experience.

We will also require some parent helpers for this trip, please indicate on the slip below if you are available to help. Places will be selected at random to ensure fairness and we will let you know by Monday 8th May.

We're sure the children will learn lots of new things on this trip and we have lots of exciting activities planned for when we return back to school.

Many thanks,

The F2 Team

F2 Blue Planet Aquarium Trip – Wednesday 17th May 2017

Childs Name _____

I enclose £5.00 contribution ☐

I am available to help on this trip:

Name: _____ Relationship to child: _____

Contact Number: _____

PLEASE RETURN TO SCHOOL BY Friday 5th May
