21st March 2023

Dear Parents/carers,

Car Parking at Park Primary

We have recently observed a number of parents parking their cars near school in an inconsiderate and, occasionally, dangerous manner.

Some local residents have reported that they have been unable to have their refuse bins collected due to vehicles obstructing Love Lane. This information has been passed on to Wirral Council by the residents, and we noted that a Council CCTV vehicle was patrolling the area yesterday.

In addition, three vehicles parked on the zig-zags by the pedestrian crossing on Woodstock Road at home time yesterday. This is illegal and particularly dangerous for pedestrians crossing the road, as well as passing vehicles.

May I kindly request that if you must drive to school to drop off and/or collect your children, you do so in a safe and considerate manner, preferably away from Love Lane or Woodstock Road.

The safety of our pupils, their families, our staff and local residents is paramount, and we would appreciate your support in protecting them.

Yours sincerely,

Mr M. Mellin
Headteacher
