## School Meal Charge Increase From September 2019

12<sup>th</sup> July 2019

Dear Parents/Carers,

We are very proud of our successful transition over the past three years producing healthy and nutritious school meals in-house. Our dedicated catering team strive to source the best quality local ingredients and products to produce delicious meals as shown below. The deli-counter has proved to be a huge hit with the children, giving them a choice of wraps, bread and baps to fill with their choice of meats, egg, tuna and salad. Our fish and chip dinner below is very popular as pizza and a roast dinner option with a different meat each week.

We have held the cost of a school meal at £2.00 a day for a number of years, however, despite our best efforts this price does not enable us to cover the total cost of the school meals provided. This means that from September 2019 we must raise the cost to £2.20 a day (£11.00 a week).

This change will not affect those who are entitled to free school meals through the Universal Free School Meals Programme in Foundation 2 and in Years 1 and 2. It will also not affect children in Key Stage 2 who are entitled to free school meals. If you are unsure about your eligibility and would like further information, please contact the school office for an application form.

The menu is available on the school website and I would encourage you to have a look at the options available with your child.

Thank you for your continued support.

Yours sincerely

Mr M Mellin
