Wellbeing Award
for Schools

2022-2025

Dear Parents and Carers,

We are delighted to announce that Park Primary School has been awarded the Wellbeing Award for Schools!

This is a national award, in conjunction with the National Children’s Bureau, which recognises schools who are making a significant contribution to promote emotional wellbeing and mental health within the school community.

Wellbeing has been a priority for us for many years now, and following the lockdown period this became even more relevant. We first began working towards this award in Autumn 2019 and, despite pausing due to Covid, we have worked hard to ensure that we continue to review and refine what we offer to our children.

We look forward to sharing the final report with you soon but Jill, our assessor, was delighted to recommend us for the award:

“The school places a strong emphasis on promoting wellbeing in the classroom and staff demonstrate high levels of awareness of the needs of individuals with well established data and pastoral systems enabling information to be shared effectively.”

WAS Assessor, September 2022

Thank you for completing surveys, offering views and attending wellbeing groups and events and, as always, for your ongoing support.

This is an award for us all.

School, Family, Community.....TOGETHER

Yours,
Mrs Dunne
Deputy Headteacher

School, family, community: preparing our children for success
