12th July 2023

Dear Parents/Carers,

re: Park Rangers - September 2023

I am writing to update you on a number of changes affecting the parents and carers of pupils that attend Park Rangers, our before and after school provision.

Due to increased staff salaries and pension costs as well as food and energy prices, we have reluctantly taken the decision to increase charges from September. We have maintained the existing pricing structure for more than ten years, but need to update this to reflect pressures on the school budget. We will also be introducing a late pick up charge from 6.00pm of £5.00 per child. This is to reflect staff overtime costs.

The existing and new pricing structure is as follows:

	Current charges per child	Current charges - sibling discount	New charges (Sept. 2023)	New charges - sibling discount
AM Session 7.50-8.55am	£3.00	25p	£4.00	-
PM Session 3.15-6.00pm	£8.50	50p	£9.00	50p
Late pick up	-	N/A	£5.00	N/A

As ever, fees should be paid for in advance via ParentMail. Late payment of fees may lead to places being withdrawn.

From September, we will no longer be able to accommodate pupils in Foundation 1. This is due to strict staff ratios of nursery age pupils. Again, this decision has not been taken lightly, but does mean that we can ensure the highest quality care for all children.

I hope you will support us with these decisions, and if you have any queries, please contact the school office.

Yours sincerely,

Mr M. Mellin
Headteacher
