

My name is Sarah.

I will be seeing you at your next appointment!

Here are a few things about me so we can get to know each other a little better 😊

I am a Nurse and I work in mental health.

I like to be called Sarah.

I work with children, young people and their families because I like to help, support and care for people.

My favourite colour is pink.

I enjoy watching football, yoga and baking cakes.

I love spending time with my family.
