## Theme 4 Celebrations – Down Our Street: A Festival of Diversity

Dear Parents and Carers,

This year, we have been working hard to further embed our **curriculum** that is **knowledge rich** and **humanity rich**.

A big part of our curriculum is involving the children in learning about the issues in the world today and making a difference to our community and the wider world. We know this will take generations to achieve but we need to start now, so our children, can teach their children, to be true citizens of the world. This half term, they have been busy learning about issues such as equality and diversity, understanding about protected characteristics and looking at inspirational people from diverse backgrounds.

We are holding a **film festival 'Down Our Street'** on **Monday 17th and Tuesday 18th July 2023** and we would love to invite you to see the children's incredible work in the form of a film and display. Below are the timings when the film will be shown.

You will be able to watch the film with your child/children. **You must book tickets for yourself and your child/children, as numbers are limited for each viewing.** If you need any help with booking, please come to the school office for assistance.
